### **Q. Is there a costume? What does my dancer wear?**

No. There are no costumes associated with the Informal Performance Showcase. Rather, all classes (except for ballet) will wear their provided winter performance tee shirt + solid black bottoms (not provided).

Mini, Jr & Sr Ballet performances will wear required ballet class attire: pink tights, pink ballet shoes & a solid black leotard. Micro Ballet classes (3-4yr & 5-yr denoted classes) can wear any ballet attire that excites or inspires them!

For dancers in multiple classes within different dance genres, dancers should consider "layering" their attire and simply changing their dance shoes only. For example, black leggings pulled over pink "convertible" tights. There will NOT be secured changing areas provided nor time permitted for full attire changes.

### **Q. How do I order their performance tee shirt and when will they receive it?**

Please submit your dancers desired tee shirt size via online submission form here (also found on our website homepage):

If we do NOT receive a tee shirt size submission on behalf of your dancer a tee shirt size will be selected for them, based on age.

**Tee shirt size submissions due by October 20<sup>th</sup>, 2022.**

### **Q. Can my dancer perform with some classes but not all?**

No, due to the nature of this performance The Informal Performance Showcase is considered an ALL or NOTHING performance opportunity.
